Dear P5 & 6 Parents and Students,

## S1 Information Day 2026

I am delighted to invite you to our S1 Information Day, which will be held on **5 December 2026 (Saturday)**.

As a well-established Canossian school founded in 1869, we are dedicated to nurturing our students in accordance with Catholic virtues and Canossian values. Our aim is to develop lifelong learners who are prepared to serve others with their God-given talents. The commitment of our alumni and the meaningful contributions they have made to the community through their chosen professions stand as a testament to our educational philosophy.

Our school has a heterogeneous student population of which 40% come from non-feeder schools. This diversity creates an inclusive learning environment that values differences and encourages the exchange of ideas. We warmly welcome students from all educational backgrounds to join our school community and embark on an enriching learning journey.

Details of the S1 Information Day are as follows:
